

# Psalm 118

## Assembly Refrain:

## Leadership:

People, let us give our thanks to God, whose love goes, always, on....

## Refrain

From my depths before, God set me free. With God to help, who could harm me?  
Foes—once swarming thick as bees—are gone. God is my strength, my song.

## Refrain

I'll not die, but I will live and tell of the goodness that our God gives.  
Gates of righteousness I will pass through. "God," I say, "salvation is in you."

## Refrain

Now the building stone that was cast aside is, as cornerstone established—  
God works marvels before our eyes!

## Refrain

You're my God. Lord, thank you for your love enduring evermore.
